

The Groove of total devastation vs. Darth Maul with Fairy Wings that looks like a Giraffe!

Scene opens with all standing waving tree like arms!

Narrator: Meanwhile in the dimension of Bassa-tron at the headquarters of the one and only Lowvengers are going thru their daily training.

Action: All sway like trees and then bounce when names are called.

Freeze Frame (who has the power to freeze time, and can make all your pictures look good, and also can levitate). Farth Dader (who controls all the flies and has laser which come from his eyes, he also has the most awesomely high squeaky voice in the land) and NO Speed Limit (nicknamed Speed-o-meter) (is so fast he can run across the galaxy and also has just the weirdest goofy eyes which distract all evil villains) . Please observe how their amazing monkey arms are using the force of abubaba to perform the most unique sounds the universe has ever experienced.

Please enjoy this usually unnoticed moment. *(all bow other side of bridge and then bow) Say Weird and Wacky and potentially Dangerous bass awesomeness! All raise bows and say Up like a twin engine fighter Down like a landing pos Back and forth like a lightsaber round and round the Death Star Feel the force Loweveggers!*

And now you've been waiting all of the past 60 seconds just to see the 2nd most incredible sound in the world (1st one being the sound of rubbing two pickles together). This time we will witness it in slow motion.....

Make sound and move thumb

Just about that time the emergency signal goes off.....Apparently there are large large willow trees growing far into the galaxy and It looks like the most evil of all evil villains Darth Maul with fairy wings that looks like a cute Giraffe is destroying the amusement park made of Jello....Play the troll song!

ask him is to make the basses of willow tree growing out of them ring with the Son Premiere!

Miles bows Greivous.

Varth Dader can you open a can of flies to make these things stop being such Meanie-bo-beanins. Johnny bows Boba Fett!

Freeze Frame can you use your abilities and destroy that platoon of mushy brown tastiness? JoJO bows D.

Nothing seems to be working? What do we do?

CHOCOLATE GOES EVERYWHERE LIKE THE DEATH STAR OF CHOCOLATE EXPLODING INTO A MILLION TINY LITTLE GIRAFFES WITH REALLY UNPROPORTIONALLY LARGE WINGS!

All is Saved so lets all Jelly!

Johnny will say this: Why was the Jello upset? Because it was in a Jam
