(like sports announcer: Chuck I think this is gonna be an epic battle as Megatron seems to have Battalion ofTransformer bass Tardis assembled on the battlefield. And it looks like RickRassicAstley has an astounding number of IrishIronMan suits with Magic Wands w? Cruciatu Curse..... This does not bode well for anyone as War usually doesnt Quite frankly the rest of us doesn't even know who the good guy is in conflict?

Play Western while the Narrator talks:

Narrator: We now cut to the scene of a giant lizard wizard formed by lots of gases watching lots of Western Movies..... His name is PotterRoll Star Zilla and he the unexpected Hero of the story.....

After song Eds Potter says Howdy Partner

Narrator Somehow that doesn't make any sense at all PotterRollStarZilla appears like Qui Gon at the end of epi 6 (oops spoiler alert) and tries to talk sense into the fighting sides. He mentions how music can usually bring sides together and make them realize they are just being jerks.....

Rick says yes yes yes.... Sings first Phrase of Never give you UP...

Starzilla: Oh Now I definitely know how this got started.... Eventhough you sing about not hurting anyone you forgot that catchy refrains are bad for all transformers (makes their minds turn into robots.....) What you need is a new Groove..... and let's leave the words and bad 80s music video out of it....

[Play Go Chicken Go](#)

Narrator: So now all is well as They rickroll their way into Weird and Wacky Happiness!!! We'd Like to apologize to the rest of the Groups after us as we have probably made you think of this while you hear the real versions of these great songs..... But at least we got to have a lot of fun learning how to play all these notes and remind you of a bad 80s classic..... The End
